**Jive Samba**

"Jive Samba" is a funky Latin tune that is a fusion of two distinct musical/dance styles – jive and samba. While there are many different kinds of jive, from Jitterbug and the Hand Jive to Rock’n’Roll, samba is Samba – as important to Brazil’s national identity as soccer. This piece is also a fusion of Nat “Cannonball” Adderley’s instrumental creativity and Jon Hendricks’ ability to create vocaleses by putting lyrics to melodies, even crazy jazz solos. Look up these two heroes of jazz and listen to some of their other recordings!
