What’s a Chain Gang?

This song is all about injustice. Before the Civil Rights Movement of the 1960s, African-Americans were routinely mistreated. Punishments usually were much more severe than what fit the crime – which was often committed out of desperation (e.g. attempting to put food on the table). Try to put yourself in the shoes of the person in the song: do you think he/she is being treated fairly? (By the way, is the person in the song a man or a woman?) One more question: what’s a chain gang?
