Hi Raphael, I've reviewed your essay. I've attached some comments with further questions of my own. For Example: why does Grendel's Mother have a cock? Why are Beowulf and Grendel “PIZZING” in a tree? What do you mean by “PIZZING”? Your essay leaves many unanswered questions, and I am therefore not able to award it a grade higher than the one decoratively illuminated in the following comment pages. I'm also not sure about your thematic use of violence, incest and sex.

Highly questionable research.
