The Dienje Kenyon Fellowship

A fellowship in honor of the late Dienje M. E. Kenyon is offered to support the research of women archaeologists in the early stages of their graduate training. An award of \$500 will be made to a student pursuing research in zooarchaeology, which was Kenyon's specialty. To qualify for the award, applicants must be enrolled in a graduate degree program focusing on archaeology with the intention of receiving either the M.A. or Ph.D. on a topic related to zooarchaeology and must be in the first two years of graduate studies. Strong preference will be given to students working with faculty members with zooarchaeological expertise.

Special Requirements:

- A statement of proposed research related to zooarchaeology, toward the conduct of which the award would be applied, of no more than 1500 words, including a brief statement indicating how the award would be spent in support of that research.
- A curriculum vitae.
- Two letters of reference from individuals familiar with the work and research potential of the applicant. One of these letters must be from the student's primary advisor, and must indicate the year in which the applicant began graduate studies.

Deadline:

The statement and curriculum vitae should be sent as an e-mail attachment in Microsoft Word. Letters of reference should be e-mailed separately by the people providing them. Applications are due no later than December 1, 2008.
